#### A Prayer to Take Action

Father, Jesus defeated Satan and all he represents on the cross.

I believe this. Forgive me for not living it. Forgive me for not accepting the truth found in Your Word. Forgive me for allowing fear to freeze me in my faith journey. Lord, empower me to take action and follow You with a whole heart in 2019. Teach me that You are trustworthy. Show me that You are working on my behalf as I act in faith. Let me be an ambassador of joy sharing with others what You have done. I ask this in Jesus' name.

Amen.
